

OUR MISSION

To give cancer patients living in Eastern North Carolina a little extra help today while they fight for their tomorrow.

IN 2022:

**288 ASSISTANCE GRANTS
WERE APPROVED**

**230 PATIENTS DIAGNOSED WITH 22
DIFFERENT TYPES OF CANCER
RECEIVED GRANTS ***

**\$66,000 WAS RAISED AT THE
CURES FOR THE COLORS COLOR
RUN**

**\$198,974 IN FUNDING WAS
APPROVED FOR PATIENTS**

***Some patients received more than one grant per year.**

2022 was a great year for Southeastern Cancer Care. 288 grants were approved for 230 patients. Patients used their assistance grants for gas, groceries, utility bills, and oncology-prescribed medication. Since assistance grants last six months, some patients qualified for more than one grant in 2022. Patients assisted had 22 different types of cancer including breast, lung, bladder, and kidney cancer. The Cures for the Colors Color Run also came back with a vengeance, with 505 registrants and many community sponsors raising \$66,000 to continue helping patients in need.

" If it hadn't been for this program, I would never have been able to afford gas to get to all my treatments and appointments."

We are grateful for each and every one of you who have supported the mission of Southeastern Cancer Care with your time, energy, and finances. We could not have helped 230 patients across Eastern North Carolina without you. We know there are a lot of worthy causes in the area, and we are so thankful you continue to enable us to give cancer patients a little extra help while they are fighting for their life.
